RETURN ON INVESTMENT

Supporting early care and education is one of the smartest moves we can make - with a return of up to 13% per year. Investing in our young children is an investment in the future of Jefferson Parish.

Your dollars help JRSN gain access to matching funds from the Louisiana Early Childhood Education Fund, as well as community and organizational grants that require local fundraising support.

Each level of giving has the potential to help Jefferson Ready Start Network provide services and support to children, families and early education providers, including the following examples:
